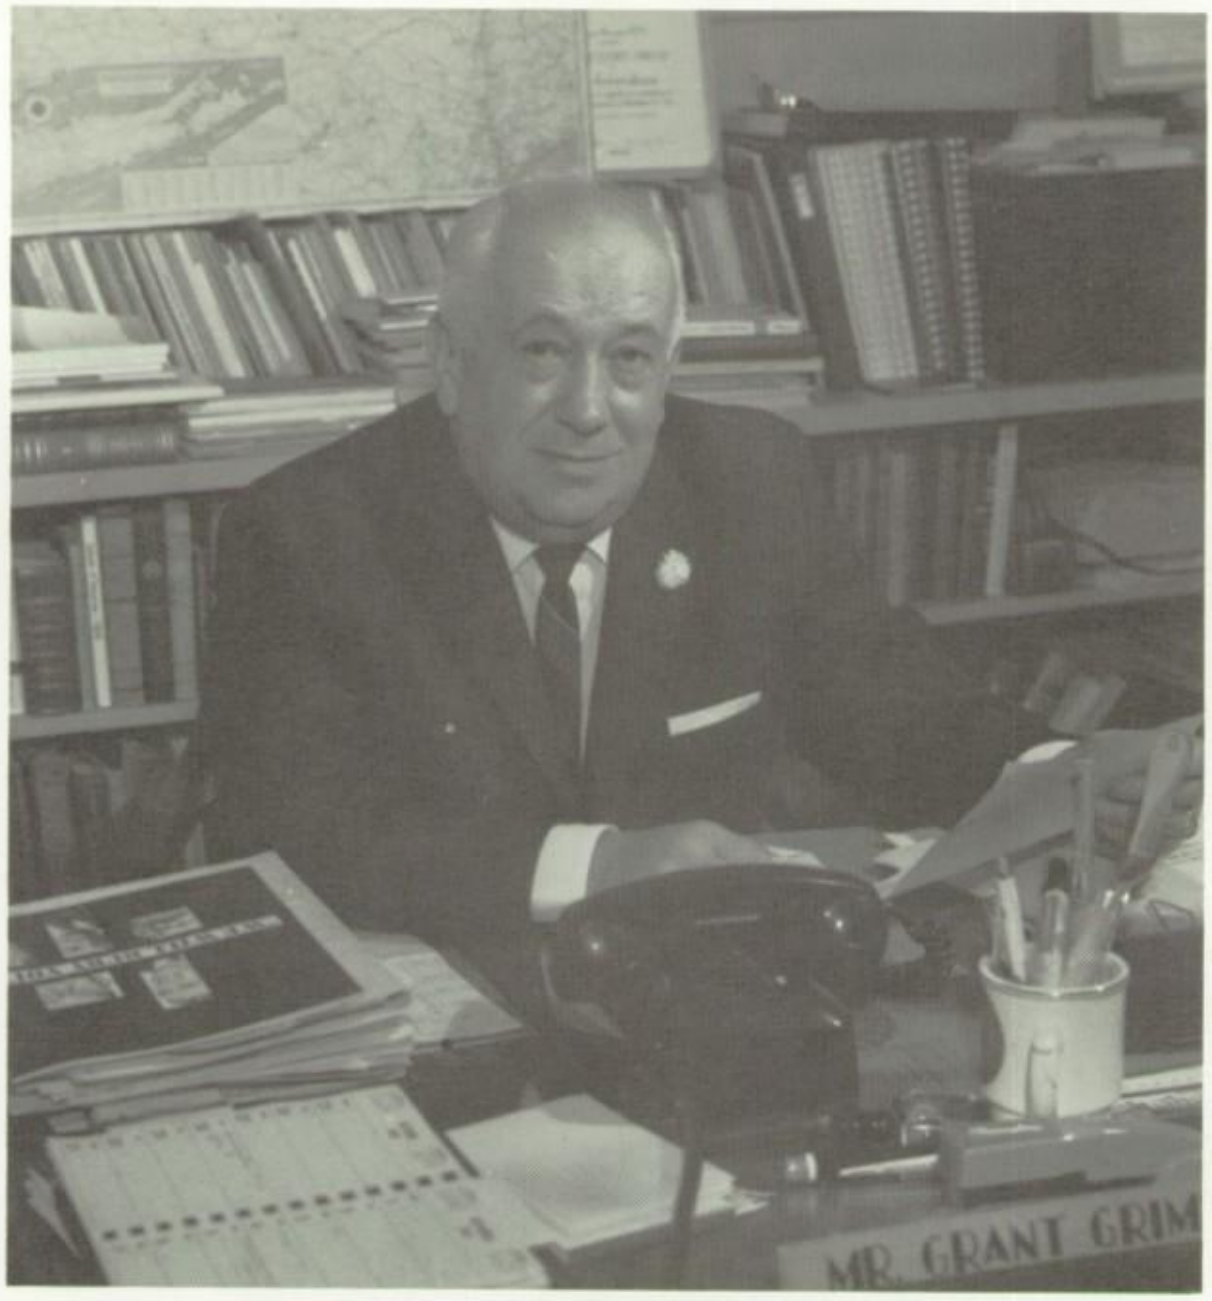
SPIRIT '66

SPIRIT

LAFAYETTE,
NEW YORK
MCMLXVI
VOLUME XXXVII



DISTRICT PRINCIPAL'S MESSAGE

I am sure that each member of the class of 1966 is seeking a guideline to life, a standard to live by, a code of ethics. This is not limited to the youth of America; it is true of the millions of young people throughout the world. It was true yesterday; it is true today; it will be true tomorrow.

Because each of you is a unique individual, there is no single, easy route through the maze and perplexities of life. There are no ready made, all embracing philosophies which can be applied to each life.

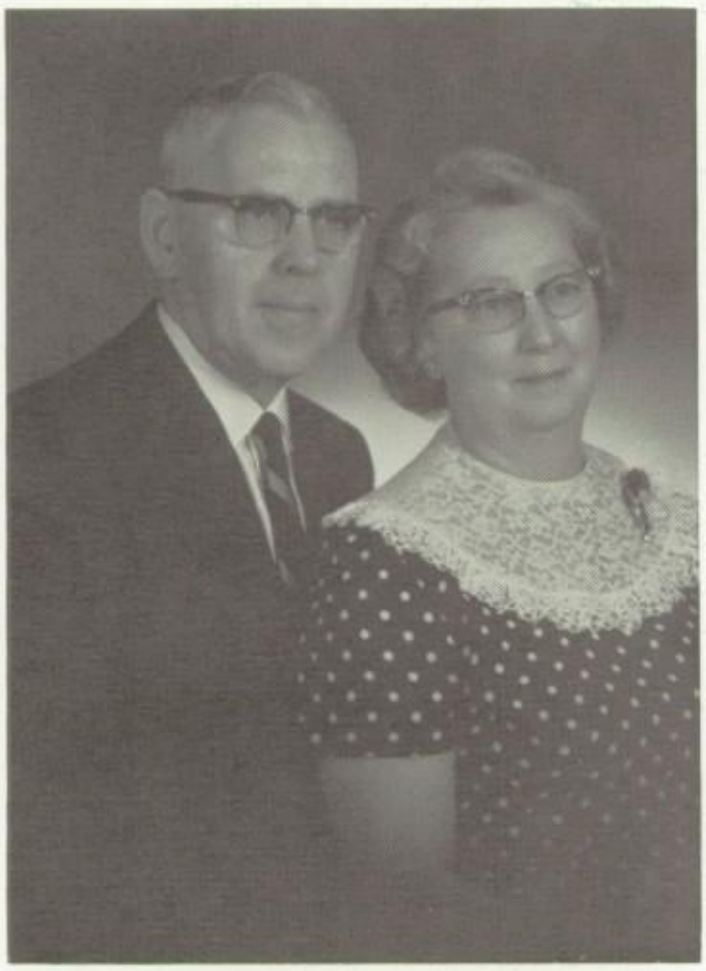
You may be tempted to choose selfish, narrow ways of living and thinking. Temptation always sings an endless variety of siren songs to deceive all of us. Not one of us is truly free to live independently of society; ones' actions jeopardize the happiness of those whose lives are inevitably linked.

I urge you young people who have completed your elementary and secondary education to become informed and loyal citizens of our country. The background which you have received in school constitutes the basic training for teaching you how to deal with social forces and problems and how to participate in community life.

Continue in your search for truth and knowledge and ultimately you will arrive at your own philosophy of living. Seek always to think of others in relation to yourself and to build your own code of ethics.

God bless and guide each of you.

P. Grant Grimshaw



MR. AND MRS. FRANCIS E. REYNOLDS

DEDICATION

The class of '66 gratefully co-dedicates this volume of "Spirit" to Mr. and Mrs. Gordon I. Barons and to Mr. and Mrs. Francis E. Reynolds as a token of our respect and appreciation for their many years of faithful service in the LaFayette Central School system. They will long be remembered for the genuine concern, interest and understanding displayed toward the students of these schools.

MR. AND MRS. GORDON I. BARONS

"Walk together, talk together, O ye peoples of the earth. Then, and only then, may you have peace."

We have been fortunate to have had Beatrice Knecht, our AFS student from Sao Paulo, Brazil, Join our Senior Class this year. Her American host family has been the Alfred E. Malletts.

When she returns home, Beatrice plans to attend nursing school. The class wishes Bea a very happy and successful future.

It is true that we "AFS"ers can never go home again. Each one of us through this year not only will have a better understanding of the American People but also will have memories that will remain in ourselves forever.

UNDERCLASSMEN

JUNIOR JINGLES

A real cool kid is ROBERT WOOD
Someday he'll be where he should.

NEIL SHUTE does just fine
When it comes to holding back that line.

MARK WERDER, an all around guy,
Never has the problem of being shy.

English class goes as it should,
The reason's simple, his name's STEVE WOOD.

Activity periods DAN SHEGGRUD enjoys,
When he's playing chess with the other boys.

WALT SCAMMELL would do much better
If he weren't a constant homework forgetter.

STEVE GLEISNER, though sometimes quiet,
Is in reality quite a riot.

A newcomer to our town this year,
We hope TRAVIS COOK will always remain here.

Never quiet, though he seems that way,
JOHN MILLETT has a lot to say.

JOHN PORTER, the Junior Class wit,
In athletics also makes a hit.

The Juniors have their "king of beasts"
His name's HAROLD LYONS, none the least.

HARVEY MOSES is the best
When it comes to sports, he's full of zest.

BRUCE JOHNSON we will always recall
As the noisiest Junior of all.

This guy is known throughout the land,
DAVE SMITH's the drummer of the band.

A chess partner is needed for Dan,
DIETER WOLFRAM does the best he can.

BETTY LOU IURINO is the one
Who always has her homework done.

JEANNINE THOMAS can't be beat
When it comes to being an athlete.

A Junior girl that shows much promise
Is best described as our GWEN THOMAS.

PAT PRENTICE as a Junior is really "hip"
The thing we'll remember is her hair in a flip.

With JEAN FOEDERER around, things can't be dull,
Her jokes keep going – there's never a lull.

SUE CHAPMAN, as everyone knows,
Will be welcome wherever she goes.

BARB SHEREMETA will never shirk,
Especially in her 4-H work.

A girl no one will pass by,
MARYLEA SHURTLEFF really rates high.

MIM TROUT needs no pay
To do her best for FHA.

JEANNE MYRTO, when it comes to French,
Has an undying thirst she has to quench.

When in Tully, you're sure to find
PEGGY SCHRADER's inquisitive mind.

Although VICKI GREENE may seem quiet,
She's actually the Junior Class "riot".

JAN RADCLIFF with eyes of brown
Is never seen wearing a frown.

KAREN WALRATH's clothes set the style,
She makes being a Junior quite worthwhile.

NANCY CRAW will set the style
With her cheerful, winning smile.

WENDY ALLEN, a great gal to know,
Has a great talent – she knows how to sew.

GAY CLARK, a typist she is,
When in this class, she's really a "whiz".

ALICE MILKS, a new face here
Helped complete our Junior year.

DEBBY WEBSTER'S personality is really great
When you need a friend, she's never late.

ABSENT
WALT ZINK now will surely pass
Since he's out of English Regents class.

JUNIOR JINGLES

Because he's always on the go,
RALPH HODSON is the guy to know.

His humor always rocks the room.
Of course, we're referring to TERRY BLOOM.

This guy hails from Cardiff land
Liked by all, his name's VINCE MAHAN.

EUGENE

JOHN MANLEY astonishes all
With his ability to roam the hall.

Although he seems to be a bit shy,
DICK KREIS, we know, is one great guy.

WOODY JOHNSON surprised us all
In sports this year; he's on the ball.

STEVE ALEXANDER, with his mischievous way,
Will keep us laughing night and day.

BERT SMITH is always around,
Whenever any fun's to be found.

RON DOCTOR is our star athlete
And, as a Junior, can't be beat.

PAT EDWARDS, as everyone knows,
Will have success wherever he goes.

TOM SCOFIELD, a popular guy,
Really makes the girls' hearts fly.

KAREN HOKE with her inimitable wit,
Will be the Junior who makes a hit.

KATHY BUSH, our sophisticate,
With all the guys she'll always rate.

Whenever there's a dance at hand,
MIDGE WILLIAMSON's there to get a band.

SUSAN GROTH goes near and far
With the keys to her mother's car.

JERRY ALICE ERICKSON is a lass
Whose personality no one can surpass.

ANN HANLEY, with bright red hair,
As a Junior is beyond compare.

SUE BURGHARDT is always full of fun,
That's why she's liked by everyone.

This girl is full of life and fun.
Yes, DEBBY MILLER is the one.

MARGARET MALLETT is known to all
As the girl who stands in the hall.

LYNN REDMAN, we're sorry to say,
Packed and moved out Buffalo way.

In lacrosse, he is the best.
ALFRED JACQUES will pass the test.

KARLEEN MC CARTHY will surely pass
As a shorter Junior in our class.

SHEILA GIBSON, short and sweet,
Has a winning smile that can't be beat.

RUTH VAN DUSEN, A blonde-haired lass,
Is one of the prettiest in the class.

MARJORIE MALIA is known to all
And is never seen not having a ball.

BARB LA MANNA can always be found
In the school store, fooling around.

JANICE JOHNSON seems quiet and shy
But there's more to her than meets the eye.

JANICE GEORGE, with always a smile,
A happy Junior all the while.

A girl that is very petite,
JO ANNE ZINK is also sweet.

ABSENT
PAT PIERCE in athletics may go far
He's La Fayette's cross country star.

The Year in Sports

Basketball

Because the 65-66 season is thus far incomplete, our league standing is unknown. We have successfully captured five games out of the nine played. Our future is exceptionally promising because the team will lose only two senior players because of graduation. The strength of the team has been in: Marty Wilber, senior; juniors, Ron Doctor and John Porter; and our talented sophomores, Craig Shute and Bob Shaw.

Baseball

In league last year we had a record of three wins, four losses and an overall record of seven wins, four losses. This was the best performance by our Lancers in several years and we hope to do better this season. Returning are Gary Lauzon, Terry Bloom, Ward Henderson, Bruce Johnson, Terry Morgan, Roy Cook and Alan Wood. These veterans should mean a strong balance within the team.

Track and Field

Once again our numbers are few but interest has improved. Darryl Gibson, Pat Pierce, and Gary Lauzon are the team's returning "workhorses."

Football

Humility is an important ingredient for a good team in any sport. However, LaFayette has every right to be extremely proud of her record in football this past fall. Despite the fact that Coach has fewer boys to mold into a team than such schools as West Hill or Stanealas, he has done a job that anyone could be proud of.

In the 1965 season, the Lancers placed second with West Hill with four wins and two losses.

County La Crosse Champions 1965

The 1965 LaCrosse team again swept the County League Competition with an overall record of 11 wins, 2 losses. For the third year in a row the Lancer Stickmen brought the trophy home.

Golf

The 1965 Golf team was outmatched in every aspect of the game. The team's determination to win paid off with the defeat of Solvay, the top team in the league.

Cross Country

With the completion of the season and with nine boys, our school placed third in our division. This was a considerable improvement. We are proud of Mark Werder's and Darryl Gibson's efforts.
